All safety and hygiene measures are implemented in our centers.

All of the behaviors to be observed during your occupation are included in the protocols included in attachments.

Each person entering in a Mundo center undertakes to scrupulously respect of these protocols.

The meeting organizer is responsible for compliance with the protocols by his entire group.

The capacity of the rooms has been temporarily reduced and the prices are adapted.

Reservations from June to August will automatically take into account the reduced capacity.

From September 2020, room rentals can be made according to their initial capacity.

Mundo reserves the right to modify the room or to cancel the reservation in accordance with any government safety and health guidelines. In this case, you will be notified personally.

In order to limit the risk of multiple refunds, invoices for reservations from September will not be sent until during the month of August.
